

25.01.2018

To Whom it may concern;

Hereby, we confirm that Ziligen food grade white and blue color PVC conveyor belt series are fully manufactured with FDA approved raw materials and formulations. Food grade belt codes are as follows :

Z 10/2 F/V1-20 White  
Z 10/2 F/V1-25 White  
Z 10/2 F/V1-25 Blue  
Z 15/3 F/V1-38 White  
Z 10/2 V1/V1-32 NP/GL Blue  
Z 20/2 V10/V10-50 White  
Z 30/3 V10/V10-61 White  
Z 30/3 V10/V10-74 White  
Z 45/4 V10/V10-81 White

Ziligen's PVC conveyor belt series are tested by internationally accredited institutes against migration of substances and chemicals in wet and dry conditions at 60-80 centigrade degrees temperature ambient and it is approved that all values are under limits. Tests were run according to FDA Title 21, Chapter 1, sub-chapter B of the Code of Federal Regulations regulates the FCM -Food Contact Material- and EU Regulation CE 1935/2004 and Regulation CE 2023/2006
