Introduction

PIX Transmissions Limited is the world's fastest growing V-belt and Hose manufacturing company. Its state-of-art manufacturing facilities in Nagpur, India, produces extensive range of products, covering all Agricultural, Automotive, Industrial and Lawn & Garden Application V-Belts.

PIX Transmissions Limited is the largest exporter of V-Belts in India and is known as an Indian Multinational Company with Subsidiary operations in UK, Brazil and Germany.

It is a professionally managed company with Hi-Tech ultramodern facilities for the manufacturing of V-Belts, Hoses, Synchronous Belts, Hose End Connections and has its own Research and Development facilities.

Certifications

The company's focus on quality is understood from the fact that it is an ISO/TS 16949:2002 certified company. Currently the company's products are exported to over 60 countries overseas through a strong network of global distributors.

Achievements:

- ◆ The company is the successive recipient of Export Awards for last several years.
- ◆ It is the first company to be recognized as the largest manufacturer exporter of V-belts in India.
- ◆ It is the only V-Belt manufacturing company in India to achieve Export House Status.

The extensive range of Tractor Application Belts manufactured by the company covers a vast range of makes and models of reputed manufacturers.

Some of the features of the PIX Tractor Belts :

- ◆ The high tensile polyester cord enables the maximum power transmission.
- ◆ Possesses moulded cogs for extra flexibility.
- ◆ They are Oil and Heat Resistant.
- ◆ Are capable of working on high speed engines.
- ◆ Are good abrasion resistant.
- ◆ Have low stretch and offer high power transmission even on small pulley diameters.

PIX Tractor belt conforms to DIN 7753, BS AU 150B, SAE J 636, RMA IP-26, ISO 9982 standards.

State-of-the-art Bazargaon Plant

Abbreviations :

ALT : Alternator
MM : millimeter
TRANS : Transmission
AC : Air condition
COM : Compressor
AIRC : Air Compressor
BL : Blower
HYDP : Hydraulic Pump
JKR : Depending upon V-Belt
JKRR : Depending upon V-Ribbed Belt
Li : Inside length
LK : Intercooler
MC : Engine Code
OILP : Oil Pump
PS : Power Steering
VACP : Vacuum Pump
WP : Water Pump
